You will have seen by now the enormous breadth and scope of our new season's programme. In both orchestral and chamber music it represents a cornucopia of the old and the new, possibly the most exciting ever! I personally invite you to embrace and support each event and please tell all your friends about our wonderful concerts. I look forward to seeing you all on the 4th of October.

South Lakeland is indeed fortunate to have the renowned **Lakeland Sinfonia**. This is your orchestra, with a proud performing tradition stretching back over nearly six decades. Its mix of gifted musicians are dedicated to the highest standards of performance and have long delighted Kendal audiences, accompanied by national and international conductors and soloists who have inspired, educated and entertained. The Sinfonia is now in a period of development and outreach in which it recognises that it has a very important role to play in educating the young in our region. It has recently completed a pilot music project at Castle Park Primary School in Kendal which has been enormously successful, and we plan to expand this operation in the future.

Patrons of Lakeland Sinfonia have consistently provided major financial support and encouragement over the years and are absolutely vital to the work of the Society in the future. There is no doubt that the entire Arts sector finds itself at risk in these challenging times, and you could help the sustainability and development of the Sinfonia by becoming a Patron. In return for a donation or sponsorship of a concert, Patrons are invited to meet the artistes at the post-concert reception and are kept in touch with latest news of events and offers. You may also experience pride in the knowledge that you are helping the orchestra to flourish artistically and financially into the future. Please let us know if you would like to become a Patron by emailing: contact@lakelandsinfonia.org.uk
